Intuitive Energy Mastery

Imagine evenings filled with friends all gathered with the same purpose in mind: to stretch the capabilities of our senses and our spirit. This is the tone of the Intuitive Energy Classes.

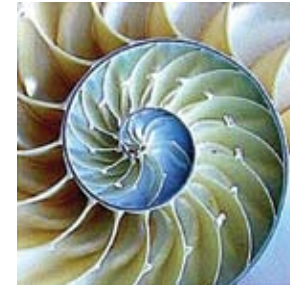

We believe you have received this brochure for a reason. The Universe is beckoning you to take a step forward, to unlock your hidden gifts, and to magnify your connection with Source.

It is our belief that everyone has psychic abilities, and what is considered paranormal by the world's standard is in reality very normal. This is a class for those who are ready to jump in and swim in spiritual deep waters. We welcome all who are willing to come with open hearts and minds.

Class Considerations

These classes are not for the novice, and not for those who may have issues with the paranormal. These are for the serious and committed student only. Attendance at every class is required. If you know that the dates for these classes will not work for you, you should not sign-up.

There are homework assignments requiring reading and practice. If you cannot commit to completing the assignments, you should not enroll in this class. It is important that the members of the class move forward together

with the same level of commitment in order to raise the energy of the whole.
